

CALL FOR ABSTRACTS

ANCC NCPD Summit

October 11th & 12th, 2022 Philadelphia, PA

The ANCC Accreditation in Nursing Continuing Professional Development (NCPD) team is excited to announce the call for abstracts for the 2022 NCPD Summit is now OPEN. As an accredited provider of NCPD, you have a unique opportunity to share your cutting edge and innovative NCPD work by:

- Demonstrating how ANCC NCPD criteria have helped you achieve strategic goals in nursing practice, team performance, and/or patient/system outcomes,
- Highlighting how the outcomes-based Continuing Education (CE) model has been operationalized and implemented in your organization.
- Sharing research findings related to NCPD accreditation.
- Showcasing how your provider unit achieved Accreditation with Distinction and the impact this recognition has had on your organization.

Important Dates for Abstract Submission:

- Abstract submissions will be accepted beginning **March 15, 2022**.
- The deadline for abstract submissions is 11:59 pm Eastern on **Monday, June 13, 2022**.
- You will be notified by **July 18th, 2022**, regarding acceptance.
- All presenters **will be required to register and attend** the NCPD Summit at your own expense. If selected, you must be registered for the NCPD Summit by **July 25th, 2022**. No compensation will be provided to session presenters.

This year we are excited to introduce some **NEW** opportunities to present!

Abstract categories:

- **ACCRED talks Best Practice in Accreditation:** Show how your organization supports and integrates best practice as an accredited provider of NCPD.
- **Abstract should include:**
 1. How has your organization leveraged Accreditation in NCPD criteria to meet strategic goals?
 2. How has being accredited changed your NCPD vision or perspective?
 3. How has your organization used the Accreditation in NCPD criteria to remove barriers and build capacity to enhance and improve nursing practice?
 4. What is the best practice related to leading learning within your accredited organization NCPD programming that you want to share with your peers and colleagues?
 5. How can your ideas and programming be adapted into NCPD programs across the globe?
 6. What tools or takeaway do you have to share with your peers within the NCPD landscape?
- **Learning in the Absence of Time: Outcomes Based CE:** Show how your organization has utilized the outcomes-based CE model to integrate a learner/team-directed educational approach that incorporates performance/quality improvement expectations into learning experiences that can positively impact nursing practice and patient/systems outcomes.
 - **Abstract should include:**
 1. How has your organization operationalized the use of outcomes-based CE model?
 2. How has your organization implemented the outcomes-based CE model into practice?
 3. What key takeaways do you have to share with your peers within the NCPD landscape?
 4. How has outcomes-based CE impacted the professional development of your nurses in your organization and/or provider unit?
- **Research Roadshow:** Show how you or your organization conducted research and identified its measurable impact on NCPD programming and/or operations as an accredited provider of NCPD. Show the relevance to NCPD practice, clinical practice and/or system/public health and/or future research.
 - **Abstract should include:**
 1. How did you or your organization conduct research on its NCPD programming and/or operations as an accredited provider of NCPD?

2. The abstract should include the following:
 - a. **Introduction:** “Why was this study/research performed? What unsolved problem are you addressing?”
 - b. **Methods:** “How did you study this problem?”
 - c. **Results:** “Report the data, analyses and/or outcomes”
 - d. **Discussion:** “How do you interpret the results?”
 - e. **Conclusion:** “What is the relevance to NCPD practice, clinical practice and/or system/public health and/or future research?”
 - f. **References:** References should use the suggested style below.
 3. How might your findings inspire or impact ANCC Accredited NCPD providers and CE across the globe?
 4. What key takeaways do you have to share with your peers within the NCPD landscape?
- ***Taking the Leap: Accreditation with Distinction:*** This call for abstracts is ONLY for organizations that submitted the NEW Accreditation standards for Distinction and were awarded Accreditation with Distinction. Discuss how your organization demonstrated evidence of exemplary and/or innovative practice in the Accreditation with Distinction criteria. Choose **one area** of the Accreditation with Distinction criteria of Structural Capacity OR Educational Design Process OR Quality Outcomes. Discuss how your Accredited Provider demonstrated:
 - Structural Capacity:
 - Discuss how your organization addressed one of the criteria in the Structural Capacity section in your Accreditation with Distinction application.
 - Provide one or more examples of how your Accredited Provider unit achieved this criterion.
 - How has achieving Accreditation with Distinction impacted the Provider Unit and Organization?
 - What key takeaways do you have to share with your peers within the NCPD landscape?
 - Educational Design Process:
 - Discuss how your organization addressed two of the criteria in the Educational Design Process section in your Accreditation with Distinction application.
 - Provide one or more examples of how your Accredited Provider unit achieved these criteria.
 - How has achieving Accreditation with Distinction impacted the Provider Unit and Organization?
 - What key takeaways do you have to share with your peers within the NCPD landscape?
 - Quality Outcomes:
 - Discuss how your organization addressed three of the criteria in the Quality Outcomes section in your Accreditation with Distinction application.
 - Provide one or more examples of how your Accredited Provider unit achieved these criteria.
 - How has achieving Accreditation with Distinction impacted the Provider Unit and Organization?
 - What key takeaways do you have to share with your peers within the NCPD landscape?

Submission Steps and Instructions:

- Abstracts must be no more than identified word count for each section; not including references.
- We do ask if the abstract being submitted has been presented elsewhere to include when and where the material has been submitted or presented on the submission form.
- Abstracts must be submitted under one of the three abstract categories. **To submit your abstract, Click appropriate link below!**
 - [ACCRED Talks: Best Practices in Accreditation](#)
 - [Learning in the Absence of Time: Outcomes Based CE](#)
